

## Experienced Agents Wanted

**Do you have an established customer base, or truck following? If so, E.L. Farmer & Company is seeking individuals with an entrepreneurial spirit to join our growing team.**

**E.L. Farmer takes the hassle out of running your business we provide:**

- Operating Authority
- We assume all credit risks for credit approved customers
- A/R Collections
- Driver qualifications files
- Drug testing
- Driver physicals
- Driver logs auditing
- Insurance – Risk management
- Billing
- Settlements
- Direct communications and relationship with each agent
- Safety Program and training

*Here at E.L. Farmer our hardworking Agents and Owner Operators are our most valued asset.*

*As an agent for E.L. Farmer we take on all the “back office” responsibilities so you can concentrate on what you do best – hiring trucks and getting freight.*

*Our extensive customer base and list of executed MSA’s assures you can work for your most valued customers.*

### **Our Company offers:**

- Bi-Weekly pay
- Comdata Fuel Cards with discounts
- Buying power for discounts on tires and Roadside repairs
- Auto liability, Cargo and Workers Compensation insurance
- Claims management
- Physical Damage and Bobtail Insurance at competitive rates
- Direct deposit settlements
- Safety Incentive Bonus
- Generous agent commission
- No hidden fees, No fine print
- MSA’s with most major Oil & Gas companies and the ability to secure new MSA’s when needed.

### **Commitment to Safety:**

Developing a strong safety culture and delivering superior safety performance is paramount here at E.L. Farmer. Having dedicated and engaged leadership along with a committed and skilled workforce allows us to reach our goals. You as an Owner Operator are key to this success.

We provide a safety orientation along with continuing training in specific trade related disciplines.

### **Compliance:**

In order to comply with the upcoming ELD mandate and customer requirements we are currently running Omnitracs for GPS tracking and electronic logging.
